Who does the Insurance Broker act for

Windsor Management Insurance Brokers acts on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for them to access insurance or manage claims where they act as an agent of the insurer. If and when this situation arises they will explain and highlight this to you.

Non Independence

As your appointed insurance broker, Windsor Management Insurance Brokers may receive commissions based on your premium for the period they manage your insurance

policy and they retain that commission to operate our business. Pursuant to section 923A of the Corporations Act, because they may receive commissions, they are deemed to not be independent, impartial or unbiased.

Windsor Management Insurance Brokers' sources of income

Windsor Management Insurance Brokers has the following sources of income in relation to the product distributed:

When they place insurance for you, they will usually receive payment from the insurer. The amount payable varies between 0% and 12.5% of the base premium you pay. This is known as the commission.

Any premiums received from you are paid over to Windsor Management Insurance Brokers who will hold the premium in their trust account. They will retain the commission and remit the balance in accordance with the credit arrangements to the insurer. They will earn interest on the premium whilst in their trust account and this interest will be retained by Windsor Management Insurance Brokers.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), they will retain any fee they have charged you. They will also retain commission depending on the arrangements with the insurer, or they can charge a cancellation fee equal to the reduction in their commission.
